

CLARIN RESTRICTED END-USER LICENCE (RES)

Copyright holder: Forskning.no (on behalf of article authors at Forskning.no, at member institutions of Forskning.no and at the newsdesk NRK Viten)

Resource: Text material from Forskning.no

User terms:

The Copyright holder grants the End-User a free, non-exclusive and perpetual (for the duration of the copyright) right to **use and make copies of the Resource for personal use** as such, as modified, or as part of a compilation or derived work. The permission applies to all known or future modes and means of communication and includes a right to make modifications enabling the use of the Resource on other devices and in other formats.

Academic use: The End-User may only use and make copies of the Resource for educational, teaching or research purposes.

Research plan: The purpose of the Resource use must be outlined in the research plan.

Identification: The End-User accepts that the Copyright holder receives the End-User's contact information, academic affiliation and research plan, and that the End User may be contacted by the Copyright holder.

Attribution: The End-User must attribute the Resource in the manner specified by the licensor. The Resource may be used for publishing articles and analyses in scientific journals, conference presentations or other similar forums. In such publications, proper reference to the resource should be given.

NoRedistribution: Distribution of copies is not allowed.

Nor is it allowed to distribute/publish complete articles, presented as raw text, from the Resource.

ReD: A derived work of the Resource may be redeposited with the CLARIN Service. The conditions for redepositing will be agreed separately.

This license has been made in compliance with copyright agreements by WIPO – the World Intellectual Property Organization. The rights granted in this license shall be so interpreted that in case applicable intellectual property laws grant rights not mentioned in this license, they are also regarded as part of the rights to be licensed; the purpose of this license is not to restrict any rights intended to be licensed within different legal systems.

Additional rights to the Resource may be agreed separately in writing.
